

Free Milk for under 5s

Free milk is available for all children under the age of five in school, funded by the UK government.

In our school, this milk is provided by Cool Milk, the UK's leading school milk supplier.

Simply register with Cool Milk directly via their website (www.coolmilk.com) for your child to access the free milk at school. When your child turns five, you will need to contact Cool Milk where you are able to set up and pay a subsidised rate for your child to continue to receive milk at school. If you do not contact them once your child turns 5, they will automatically be removed from the Cool Milk register by the company.

Uniform - Emblazon search : emblazon.biz to view online
